The 2021 Daily Bible Reading Guide is the 36th consecutive one prepared by the Rev. Dr. K. L. Peterson. It is based on texts used in the Revised Common Lectionary and other lectionaries also used by Anglicans, Lutherans, and Roman Catholics. Those dates marked with a star (★) are commonly observed as festival days in some churches. Versification is based on the Good News Bible.

If the Guide is used every day during 2021, 60 books of the Bible will be utilized and 17 will be read in their entirety.
